Global 12 Private Bank

The acquisition of Valens Bank brings together Global 12's expertise in digital and crypto banking with Valens Bank's robust international payment and banking infrastructure. This combination is poised to deliver an unparalleled suite of services to customers across the globe, focusing on efficiency, security, and innovation. We are therefore excited to announce the formation of Global 12 Private Bank, that will offer an unparalleled new Global Offshore Private Banking experience to customers.

Commitment to Customers and Stakeholders

Global 12 assures all clients and stakeholders of a seamless transition with continued excellence in service delivery. The integration of Valens Bank into Global 12's operations will be conducted with the highest standards of professionalism, ensuring that all clients benefit from the enhanced capabilities and expanded global network.

Enhanced Global Reach and Service Offering

This acquisition is not just a growth strategy for Global 12; it's a leap towards connecting diverse financial markets, offering a more extensive range of services, and addressing the nuanced needs of a global clientele. From advanced digital banking solutions to comprehensive international payment systems, the combined strengths of Global 12 and Valens Bank are set to revolutionise the financial sector with the formation of Global 12 PB.

A Future of Collaborative Success

Looking ahead, Global 12 PB is excited to explore the synergies this acquisition brings. The company is committed to leveraging Valens Bank's strengths to build a robust, innovative financial platform that caters to the dynamic needs of the modern customer. Global 12 PB's short to medium-term plan includes geographical expansion and the establishment of representative offices in strategic locations across South Africa, Comoros, Seychelles, Mauritius, the Middle East, and Europe.
